

**Town of**  
**Vulcan**

## **CLOSURE**

### **IMPORTANT UPDATE: CLOSURE ANNOUNCEMENT**

**Town of Vulcan Facilities**

**EFFECTIVE IMMEDIATELY.**

Yesterday the Province announced the immediate closure of all K-12 schools. With the knowledge that the virus has spread with community contact and no traceable link to a person who had been travelling, the need to reduce the potential for any gathering is becoming more important.

The Town will close the rental facilities effective IMMEDIATELY this includes the ice arena, tourism centre and use of the school gyms therefore all recreation programming taking place in those facilities will be cancelled.

We understand that this will be a trying time especially those who rely on our programming to keep active, check our facebook page on ideas and ways that you can safely stay active during this time.

We meet and review all required actions to support the Province's recommendations and direction as it relates to maximizing social distancing and reducing community contact.

We will continue to observe the situation and keep you as informed as possible with this rapidly changing situation. Thank you for doing all you can to care for your own health and the health and safety of our family, friends and our community.

Please visit [alberta.ca/covid19](http://alberta.ca/covid19) for ongoing updates. We will continue to share Community Updates via social media and on our website: [www.townofvulcan.ca](http://www.townofvulcan.ca) and "vulcanrecdepartment" facebook page.

**THANK YOU**
