

Declaration for Cancellation of Fire Ban

September 3, 2020

Under the authority of Bylaw #2017-003, Vulcan County hereby issues cancellation of a Fire Ban that was enacted on August 13, 2020.

Vulcan County has moved to a Fire Restriction. We will continue to monitor moisture levels and fire risk throughout the County, and may update the status as needed. The restriction excludes: fires contained in an approved cooking appliance, and fires contained in approved fire rings only. All fire permits are revoked and no new permits will be issued until further notice. If conditions change, the County may impose a Fire Ban at any time.

If a Fire Ban is imposed, you must immediately and fully extinguish your fire. This Fire Restriction is in effect until further notice.
