

PUBLIC NOTICE

Due to the provincial health restrictions currently in place, the Village Office will be closed for walk-in assistance.

If you see our vehicles and need immediate assistance, please ring the doorbell. We will put on our mask and be happy to assist you. We will sanitize surfaces afterwards. This will also allow us to limit admissions to the office to one person at a time.

Appointments can be scheduled by emailing
cao.arrowwood@gmail.com
or phoning 403-534-3821 or 403-990-0720.

We thank you for understanding the need for this procedure.
