History Book Update

Arrowwood, Shouldice, Mossleigh, Farrow

Haven't handed in your **family history** yet? No worries! We are still looking for them and desperately want them!

Also, if you have or had a **business** or were involved with or have any memories of the **churches, schools, sports teams, or organizations** in our area, we need updates, stories and/or photos.

No History Book would be complete without stories and photos of the **New Developments** or happenings in our area (new **syphon**, the loss of the **elevators and railway**, the **School fire, internet & cell phone technology**, etc.), **Ranching and Farming** changes and developments, and **Environmental Events** such as the **Blizzard of 1986**, the **Flood of 2013**, major **Wind or Hail** damage, the **Covid Pandemic**.

Please send your stories and photos by email to arrow.mosshistorybook@gmail.com or drop off or mail a typewritten copy to the

Arrowwood Library, Box 88, Arrowwood, AB, T0L 0B0
