LAST PLEA!

The second edition of the Arrowwood/Mossleigh history book is in a fierce stage of production. Many, many hours have been spent editing, filing, typing, and proofreading, and we see a glimmer at the end of the tunnel. We are grateful for those who have submitted their histories and we thank them for that. However, if you did not submit your history because you missed the November deadline, we still want to encourage anyone who has had ties or connections to our communities to do so. You are part of our community; you are important to us and we value your story. We'd love to hear from you and make you a part of this history book.

If you have a history or pictures to submit email them to: arrow.mosshistorybook@gmail.com or drop off or mail to the **Arrowwood Library, Box 88, Arrowwood, AB, T0L 0B0.**

We are still taking **pre-orders** for the book with a **\$30 deposit per book**. Cheques can be made out to the **Arrowwood Restoration Society – History Book Account.**
