Dear Community Members;

We would love to hear from you!

If you could take a few moments to fill out the form below, we would appreciate it. We are unable to contact most of our residents in a timely manner, so we are requesting your contact information in case of emergencies, issues that arise or just to set up a meeting with you.

We are also considering emailing the utility notices starting in January 2024. Do you think this is preferable? If so, please provide your email address below.

Also, on this form is a place for you to offer suggestions, comments or ask questions.

You can mail it back to us, drop it off in the drop box on the south side of the office building or email the information to us at [vlgarw@telusplanet.net](mailto:vlgarw@telusplanet.net)

We would love to hear from you!
